DETAILED ACTION

1. The Examiner has carefully considered Applicant's amendment and accompanying remarks filed October 27, 2003. All rejections have been overcome.

Election/Restrictions

2. Applicant's election of Group I is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

Claim Objections

3. Claim 12 is objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. Claim 12 requires that the article is waterproof, while claim 1 also requires that the article be waterproof. It is suggested that Applicant cancel claim 12.

Allowable Subject Matter

4. Claims 1, 2, 4-11, and 13-21 are allowed.

5. The following is a statement of reasons for the indication of allowable subject matter: the rejections have been overcome by the present response and amendment. Furthermore, while the references cited are believed to be the closest prior art, they fail to disclose the limitations of claim 1 and 21.

Conclusion

6. This application is in condition for allowance except for the following formal matters:

Applicant must cancel claim 12 because it fails to further limit independent claim 1.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
